## NEW - transform your pictures into e-cards

### 'Weaving Connections'

Send us your best images to create e-cards, which you can personalise with a message and send to friends at the click of a button from motiroti website! The theme 'Weaving Connections' is inspired by the forthcoming launch of 360°, our programme of exchanges and connections between Britain, India and Pakistan. By linking with others we open up to unlimited possibilities and new stories. Think of friendship, love, support, community, knots... think of the strength that comes from connecting with people.

Get clicking and e-mail us your best images!

Deadline for submissions: 1st December 2007. E-cards will be available from 3rd December.

### Previous - 'My Harvest'

We received many beautiful images which we printed and displayed around the bamboo maze at our autumn festival Harvest it! All these harvest inspired images made a great contribution to the event.

A big thank you to everyone who contributed.

## Just presented

### Harvest it! ... a festival of autumn delights

Blessed by a glorious sunny day, thousands of people joined us to celebrate harvest in the heart of the city. The park was animated with live music, performances, installations, workshops, stalls and much more...all inspired by the theme of harvest across cultures and generations.

*"Great mix of different cultures all in one place", "Create opportunities to connect", "Should be a regular calendar fixture", "FANTASTIC!"* Audience members.
