In Development

360° Britain - India – Pakistan

A three-year programme of cultural explorations: 2007-2010.

Sixty films, several international artists' residencies, numerous publications and a new collaboration will bring artists together to explore the role that art can play in shaping communication and insight, across boundaries of culture and geography.

60x60 Secs, the first project of the programme, is due to be launched in March 2008. 60 one-minute film commissions are offered to sixty artists who define themselves as coming from the South Asian Diaspora.

360°

Open invitation to artists for a sixty seconds film proposal.
